Response to Office Action Dated 09/09/2005

Dear Michael:

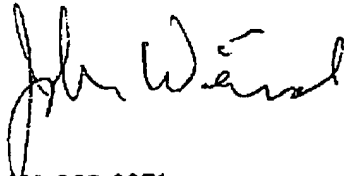

This is a follow-up hard-copy response to the Office Action you mailed to me on 09/09/2005. Sorry I haven't sent this earlier, but I did not know you needed this document.

I would appreciate it if you would review the section of Patent Appl. No. 09/892,055 that relates to the wireless discount invention. This would be class 705/14 as you state in the Office Action document.

This would be claims 1 through 10.

Thank you for your time and help. Please let me know if you need more information regarding this subject.
